- The Laws: MCC Laws of Cricket

## Preamble - The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

- Respect is central to the Spirit of Cricket.
- Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct, and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes, and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

## 1 THE PLAYERS

### 1.1 Number of players

1.1.1 A match is played between two sides, each of eleven players, one of whom shall be captain.

### 1.2 Nomination and replacement of players

1.2.1 Each club must submit their team on the Cricket Leinster Website and print out three copies of the official Teamsheet.

1.2.2 Late changes to the team may be made before the toss but must be specifically brought to the attention of the umpires at the toss. Submission of selected teams on the website is mandatory and regular non-submission may lead to the imposition of a penalty by the Women's Competition Committee (WCC). The normal penalty is 5 league points.

1.2.3 The toss shall take place not more than 30 minutes, and not less than 15 minutes, before the start of play, in the presence of both umpires. Each captain shall nominate 11 players in writing to the umpires no later than 30 minutes before the start of the match. No player may be changed after the nomination without the consent of the opposing captain.

1.2.4 All players nominated must be eligible to play for that particular team in accordance with the Cricket Leinster Women's Competition Committee (WCC) General Playing Regulations and Administration.

1.2.5 In addition, by their nomination, the nominees shall be deemed to have agreed to abide by all the applicable Cricket Leinster regulations pertaining to cricket and in particular, the Disciplinary Code of Conduct.

### 1.3 Captain

1.3.1 If at any time the captain is not available, a deputy shall act on behalf of the captain.

1.3.2 If a captain is not available to nominate the players, then any person associated with that team may act as deputy to do so.

1.3.3 At any time after the nomination of the players, only a nominated player can act as deputy in discharging the duties and responsibilities of the captain as stated in these Playing Conditions, including at the toss.

### 1.4 Responsibility of captains

1.4.1 The captains are responsible at all times for ensuring that play is conducted within The Spirit of Cricket as well as within the Laws and these Playing Conditions.

## 2 THE UMPIRES

### Law 2 Shall Apply, Subject to the Following

### 2.1 Appointment and attendance

2.1.1 Before the match, two umpires shall be appointed, one for each end, to manage the match as required by the Laws, with absolute impartiality. The umpires shall be present on the ground and shall be present on the ground at least 60 minutes before the scheduled start of each day's play.

2.1.2 Applicable to Premier and Division 2: Where a coach and or player is acting as an umpire, these persons are to prioritise impartiality and neither act as a player nor coach while actively umpiring.

### 2.2 Change of umpire

2.2.1 An umpire shall not be changed during the match, other than in exceptional circumstances, unless the umpire is injured or ill. If there has to be a change of umpire, the replacement shall act only as the striker's end umpire unless the captains agree that the replacement should take full responsibility as an umpire.

2.2.2 If official umpires are not present 30 minutes before the official starting time then the responsibility falls on both captains who must agree on the appointment of umpires to ensure a prompt start to a match. Umpires may be selected from participating players or spectators. If subsequently official umpire(s) arrive, then they may, if both teams agree, take over for the remainder of the match.

### 2.3 Cancellation of matches

No match may be called off, irrespective of weather conditions, before the official starting time except with the agreement of the officially appointed umpires, at least one of whom shall have first inspected the pitch and determined that no play would be possible on that day. The umpires shall decide whether the pitch is playable or not taking into account the ground authority's view.

## 2.4 Consultation with captains

Before the toss the umpires shall:

- 2.4.1 meet with the captains and the umpires shall determine
- a) the balls to be used during the match. See [Law 4 \(The ball\)](#).
  - b) the hours of play and the times and durations of intervals for meals and times for drinks intervals.
  - c) which clock or watch and back-up time piece is to be used during the match.
  - d) the boundary of the field of play and allowances for boundaries, including whether any obstacle within the field of play is to be regarded as a boundary. See [Law 19 \(Boundaries\)](#).
  - e) the use of covers. See [Law 10 \(Covering the pitch\)](#).
  - f) special conditions of play affecting the conduct of the match.
- 2.4.2 inform the scorers of agreements in 2.4.1.1; b, c, d, f.

## 2.5 The wickets, creases and boundaries

Before the toss and during the match, the umpires should be satisfied that:

- 2.5.1 the wickets are properly pitched. See clause 8: THE WICKETS
- 2.5.2 the creases are correctly marked. See clause 7: [THE CREASES](#)
- 2.5.3 the boundary of the field of play complies with the requirements of [Law 19](#); clauses 19.1 (Determining the boundary of the field of play), 19.2 (Identifying and marking the boundary) and 19.3 (Restoring the boundary).

## 2.6 Conduct of the match, implements and equipment

Before the toss and during the match, the umpires shall satisfy themselves that:

- 2.6.1 the conduct of the match is strictly in accordance with these Playing Regulations.
- 2.6.2 the implements used in the match conform to the following
- 2.6.2.1 [Law 4 \(The ball\)](#).
  - 2.6.2.2 externally visible requirements of [Law 5](#) (The bat) and [Appendix B - As pre Laws of Cricket](#)
  - 2.6.2.3 [Law 8: clauses 8.2 \(Size of stumps\) and 8.3 \(The bails\)](#).
- 2.6.3 no player uses equipment other than that permitted.
- 2.6.4 the wicket-keeper's gloves comply with the requirements of [Law 27](#) (Gloves).

## 2.7 Fair and unfair play

The umpires shall be the sole judges of fair and unfair play.

**2.8 Fitness for play**

- 2.8.1 It is for both the umpires together to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place. Conditions shall not be regarded as either dangerous or unreasonable merely because they are not ideal. The fact that the grass and the ball are wet does not warrant the ground conditions being regarded as unreasonable or dangerous.
- 2.8.2 Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.
- 2.8.3 Conditions shall be regarded as unreasonable if, although posing no risk to safety, it would not be sensible for play to proceed.
- 2.8.4 If the either umpire consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batters of the ability to play strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be dangerous and unreasonable for play to take place.

**2.9 Suspension of play in dangerous or unreasonable circumstances**

- 2.9.1 All references to ground include the pitch. See clause 6.1 THE PITCH.
- 2.9.2 The Umpires shall immediately suspend play, or not allow play to start or to recommence, if either umpires consider that the conditions of ground, weather or light, or any other circumstances are either dangerous or unreasonable.
- 2.9.3 When there is a suspension of play it is the responsibility of the umpires to monitor conditions. The umpires shall make inspections as often as appropriate. At the point at which both umpires agree that the conditions are no longer dangerous or unreasonable, the umpires shall call upon the players to resume play immediately.

**2.10 Position of umpires**

- 2.10.1 The umpires shall stand where any act can best be seen, upon which a decision may be required.
- 2.10.2 Subject to this over-riding consideration, the bowler's end umpire shall stand in a position so as not to interfere with either the bowler's run-up or the striker's view.
- 2.10.3 The striker's end umpire may elect to stand on the off side instead of the on side of the pitch, provided the umpire informs the captain of the fielding side, the striker and the other umpire.

**2.11 Umpires changing ends**

Shall not apply.

**2.12 Disagreement and dispute**

Where there is disagreement or dispute about any matter, the umpires together shall make the final decision. See also [Law 31.6](#) (Consultation by umpires).

**2.13 Umpire's decision**

An umpire may alter any decision provided that such alteration is made promptly. This apart, an umpire's decision, once made, is final.

**2.14 Signals**

- 2.14.1 The following code of signals shall be used by umpires.
- 2.14.1.1 Signals made while the ball is in play:
- No ball - by extending one arm horizontally.
  - Out - by raising an index finger above the head. (If not out, the umpire shall call Not out.
  - Wide - by extending both arms horizontally.
  - Dead ball - by crossing and re-crossing the wrists below the waist.
- 2.14.1.2 When the ball is dead, the bowler's end umpire shall repeat the signals in clause 2.14.1.1, with the exception of the signal for Out, to the scorers.
- 2.14.1.3 The signals listed below shall be made to the scorers only when the ball is dead.
- Boundary 4 - by waving an arm from side to side finishing with the arm across the chest
  - Boundary 6 - by raising both arms above the head.
  - Bye - by raising an open hand above the head.
  - Five Penalty runs awarded to the batting side - by repeated tapping of one shoulder with the opposite hand.
  - Five Penalty runs awarded to the fielding side - by placing one hand on the opposite shoulder.
  - Leg bye - by touching a raised knee with the hand.
  - Revoke last signal - by touching both shoulders, each with the opposite hand.

- Short run - by bending one arm upwards and touching the nearer shoulder with the tips of the fingers.
- Free Hit – after signalling the no ball, the bowler's end umpire extends one arm straight upwards and moves it in a circular motion.
- Powerplay Over – by rotating their arm in a large circle.

2.14.1.4 All the signals in clause [2.14.1.3](#) are to be made by the bowler's end umpire except that for Short run, which is to be signalled by the umpire at the end where short running occurs. However, the bowler's end umpire shall be responsible both for the final signal of Short run to the scorers and, if more than one run is short, for informing them as to the number of runs to be recorded.

2.14.2 The umpire shall wait until each signal to the scorers has been separately acknowledged by a scorer before allowing play to proceed.

2.14.3 If several signals are to be used, the signals should be given in the order that the events occurred.

### 2.15 Informing the umpires

Wherever the umpires are to receive information from captains or other players under these Playing Conditions, it will be sufficient for one umpire to be so informed and for them to inform the other umpire.

### 2.16 Correctness of scores

2.16.1 Consultation between umpires and scorers on doubtful points is essential. The umpires shall, throughout the match, satisfy themselves as to the correctness of the number of runs scored, the wickets that have fallen and, where appropriate, the number of overs bowled.

2.16.2 The umpires shall ensure that they are able to contact the scorers at any time during the match and at its conclusion to address any issues relating to the correctness of scores.

## 3 THE SCORERS

### 3.1 Appointment of scorers

Two scorers shall be appointed to record all runs scored, all wickets taken and, where appropriate, number of overs bowled.

### 3.2 Correctness of scores

The scorers shall frequently check to ensure that score records agree and consult with the umpires if necessary. See [Law 3.2](#) (Correctness of scores).

### 3.3 Acknowledging signals

The scorers shall accept all instructions and signals given to them by the umpires and shall immediately acknowledge each separate signal.

### 3.4 Duckworth Lewis Stern Calculations (Applicable to Division 1 and all Cup Finals only).

3.4.1 There must be at least one person available throughout the match who is capable of performing a calculation under the current Duckworth Lewis Stern method (Version 6 in 2026). This can be one of the scorers. A computer and printer must be available with printouts being provided between innings and at any subsequent interruption in play.

3.4.2 Before the toss an umpire will request a sample DLS printout from the host club. This should be retained by the Umpires. Failure to produce a sample printout should not automatically prevent the commencement of the game.

3.4.3 Should, at a later stage, the host club be unable to perform any DLS calculation correctly the match will be abandoned and the matter will be referred to the Women's Competitions Committee (WCC) for determination.

3.4.4 Should, at any stage, the host club be capable of performing any DLS calculation but unable to produce a printout of any DLS calculation correctly, the match will continue as long as the host club maintains an up to date DLS Target score on the scoreboard. Following the match the umpires will refer the matter to the Women's Competition Committee (WCC) for determination.

## 4 THE BALL

### 4.1 Weight and size

The ball, when new, shall be Pink in colour and weigh 142g/5 oz.

## 4.2 Approval and control of balls

- 4.2.1 For all competition matches, all teams must use the officially approved (and chosen) “Readers” League Ball as supplied by Cricket Leinster. Should any team not have a ball of this type available for use, the umpires are solely responsible for the decision to accept an alternative ball and should refer the matter to the Women’s Competition Committee (WCC) after the match.
- 4.2.2 During play umpires shall periodically and irregularly inspect the condition of the ball and shall retain possession of it at the fall of a wicket, a drinks interval, or any other disruption in play.
- 4.2.3 **New ball (Premier League – Division 4)** Each fielding team must use a new ball at the start of the innings. Teams playing fixtures in Division 5 may use a non-new ball, however this ball should be fit to last 20 overs at the commencement of the innings.

## 4.3 Ball lost or becoming unfit for play

If, during play, the ball cannot be found or recovered, or the umpires agree that it has become unfit for play through normal use, the umpires shall replace it with a ball which has had wear comparable with that which the previous ball had received before the need for its replacement. When the ball is replaced, the umpire shall inform the batters and the fielding captain. This ball must be of the same type as referenced in 4.2 above. If a ball of the same type as referenced in 4.2 cannot be produced, the umpires alone shall decide if the replacement ball is acceptable.

## 4.4 Sightscreens and Player Clothing

Sightscreens (where available) may be white/black in colour, however must be uniform at either end of the ground. Player clothing should be coloured (both tops and trousers).

## 5 THE BAT

Shall apply as per the [Laws of Cricket: Law 5](#)

## 6 THE PITCH

Shall apply as per the [Laws of Cricket: Law 6](#)

## 7 THE CREASES

### 7.1 The creases

The positions of a bowling crease, a popping crease and two return creases shall be marked by white lines, as set out in clauses [7.2](#), [7.3](#) and [7.4](#), at each end of the pitch. See paragraph 1 of Appendix C - The pitch and the creases.

### 7.2 The bowling crease

### 7.3 The popping crease

The popping crease, which is the back edge of the crease marking, shall be in front of and parallel to the bowling crease and shall be 4 ft/1.22 m from it. For matches outside Premiers the popping crease shall be marked to a minimum of 6 ft/ 1.85m on either side of the imaginary line joining the centres of the two middle stumps and shall be considered to be unlimited in length.

For matches in Premiers the popping crease shall be marked to a minimum of 7.5 yards/ 6.8 m on either side of the imaginary line joining the centres of the two middle stumps and shall be considered to be unlimited in length.

### 7.4 The return creases

The return creases, which are the inside edges of the crease markings, shall be at right angles to the popping crease at a distance of 4 ft 4 in/1.32 m either side of the imaginary line joining the centres of the two middle stumps. Each return crease shall be marked from the popping crease to a minimum of 8 ft/2.44 m behind it and shall be considered to be unlimited in length.

### 7.5 Additional Crease Markings

**9.1.2 Rolling after a delayed start:**

In addition to the rolling permitted above, if, after the toss and before the first innings of the match, the start is delayed, the captain of the batting side may request that the pitch be rolled for not more than 7 minutes. However, if the umpires together agree that the delay has had no significant effect on the state of the pitch, the umpires shall refuse such request for rolling of the pitch.

**9.1.3 Choice of rollers:**

If there is more than one roller available the captain of the batting side shall choose which one is to be used.

**The following shall apply in addition to clause [9.1](#):**

**9.1.4** Prior to the scheduled time for the toss, the artificial drying of the pitch and outfield shall be at the discretion of the Ground Authority. Thereafter and throughout the match the drying of the outfield may be undertaken at any time by the Ground Authority, but the drying of the affected area of the pitch shall be carried out only on the instructions and under the supervision of the umpires. **14 THE FOLLOW-ON**

Shall not apply.

**15 DECLARATION AND FORFEITURE**

Shall not apply.

**16 THE RESULT****16.1 A Win – one-innings match**

16.1.1 The side which has scored in its one innings a total of runs in excess of that scored by the opposing side in its one completed innings shall win the match. See [Law 13.3 \(Completed innings\)](#). Note also [16.4 \(Winning hit or extras\)](#).

16.1.2 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (clause [16.2](#)), a result can be achieved only if both teams have had the opportunity of batting for at least 12 overs (5 for Division 1), unless one team has been all out in less than 12 overs (5 for Division 1) or unless the team batting second scores enough runs to win in less than 12 overs (5 for Division 1).

16.1.3 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (clause [16.2](#)), all matches in which both teams have not had an opportunity of batting for a minimum of 12 overs (5 for Division 1), shall be declared a "No Result".

**16.2 Umpire awarding a match**

16.2.1 A match shall be lost by a team which either:

16.2.1.1 concedes defeat or

16.2.1.2 in the opinion of the Umpires, the team refuses to play and the Umpires shall award the match to the other side. **Note:** In addition to the consequences of any refusal to play prescribed under this clause, any such refusal, whether temporary or final, may result in disciplinary action being taken against the captain and team responsible under the Code of Conduct.

**16.3 All other matches – A Tie or No Result**

16.3.1 A Tie:

The result of a match shall be a Tie when all innings have been completed and the scores are equal. If the scores are equal, the result shall be a tie and no account shall be taken of the number of wickets that have fallen.

16.3.2 No Result See [16.1.3](#) above

- 16.3.3 Any cup match, prior to the Final in each competition, which ends in a tie will be subject to a tie-breaker of the following:
1. The team losing fewer wickets in their innings
  2. The team which has hit the higher number of boundaries in their innings
  3. Count-back of scores at the end of each over, starting at the end of the penultimate over, should this remain tied the count-back will continue until the tie is broken
- 16.3.4 Any Cup Final which finishes in a tie will be decided firstly by means of a Super Over, save for in scenarios where Ground, Weather & Light do not allow this. In these instances, the matter will be referred to the on-ground members of the Women's Competitions Committee or CL Staff.

#### 16.4 Prematurely Terminated Matches - Calculation of the Target Score

##### The following applies to Premier League, Leinster Senior Cup & Cup Finals only:

- 16.4.1 Interrupted Matches - Calculation of the Target Score:  
If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (or the minimum permitted in such competition), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current Duckworth/Lewis/Stern method. The target set will always be a whole number and one run less will constitute a Tie.
- 16.4.2 Prematurely Terminated Matches:  
If the innings of the side batting second is suspended (with at least the minimum permitted in any competition bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the Duckworth/Lewis/Stern method (refer Duckworth/Lewis/Stern Regulations). If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

##### The following applies to Divisions 2-5 & associated Cups (excluding finals) only:

- 16.4.3 Interrupted Matches – Calculation of the Target Score
- 16.4.3.1 If a second innings of a match is abandoned after 12 or more overs, where the team batting second have not reached the target score nor lost all of their wickets, the following will apply:
- a) Run Rate will be calculated and the team with the higher net run rate over the overs faced will be the winner.
  - b) In such circumstance bonus points will only be awarded on a 'runs win' basis, with the total difference in net run rate multiplied by the overs bowled in the second innings in order to confirm an extrapolated margin of victory rounded up to the nearest run

**16.5 Winning hit or extras**

- 16.5.1 As soon as a result is reached as defined in clauses [16.1](#), [16.2](#) or [16.3](#), the match is at an end. Nothing that happens thereafter, except as in clause [41.17.2 \(Penalty runs\)](#), shall be regarded as part of it. Note also clause [16.8](#).
- 16.5.2 The side batting last will have scored enough runs to win only if its total of runs is sufficient without including any runs completed by the batters before the completion of a catch, or the obstruction of a catch, from which the striker could be dismissed.
- 16.5.3 If a boundary is scored before the batters have completed sufficient runs to win the match, the whole of the boundary allowance shall be credited to the side's total and, in the case of a hit by the bat, to the striker's score.

**16.6 Statement of result**

- 16.6.1 If the side batting last wins the match without losing all its wickets, the result shall be stated as a win by the number of wickets still then to fall.
- 16.6.2 If, without having scored a total of runs in excess of the total scored by the opposing side, the side batting last has lost all its wickets, but as the result of an award of 5 Penalty runs its total of runs is then sufficient to win, the result shall be stated as a win to that side by Penalty runs.
- 16.6.3 If the side fielding last wins the match, the result shall be stated as a win by runs.
- 16.6.4 If the match is decided by one side conceding defeat or refusing to play, the result shall be stated as Match Conceded or Match Awarded, as the case may be.

**16.7 Correctness of result**

Any decision as to the correctness of the scores shall be the responsibility of the umpires. See clause [2.16](#) (Correctness of scores).

**16.8 Mistakes in scoring**

If, after the players and umpires have left the field in the belief that the match has been concluded, the umpires discover that a mistake in scoring has occurred which affects the result then, subject to clause [16.9](#), the umpires shall adopt the following procedure.

- 16.8.1 If, when the players leave the field, the side batting last has not completed its innings and either the number of overs to be bowled in that innings has not been completed, or the end of the innings has not been reached, then, unless one side concedes defeat, the umpires shall order play to resume.  
Unless a result is reached sooner, play will then continue, if conditions permit, until the prescribed number of overs has been completed. The number of overs shall be taken as originally at the call of Time for the supposed conclusion of the match. No account shall be taken of the time between that moment and the resumption of play.
- 16.8.2 If, at this call of Time, the overs have been completed and no Playing time remains, or if the side batting last has completed its innings, the umpires shall immediately inform both captains of the necessary corrections to the scores and to the result.

**16.9 Result not to be changed**

Once the umpires have agreed with the scorers the correctness of the scores at the conclusion of the match – see clauses [2.16](#) (Correctness of scores) and [3.2 \(Correctness of scores\)](#) – the result cannot thereafter be changed.

**16.10 Points**

16.10.1 Result Points:

- 16.10.1.1 Win: 20 points to the winner  
16.10.1.2 Tie: 12.5 points to each side

16.10.2 Bonus Points shall be awarded in respect of each match where there is a win/lose result on the following basis:

16.10.2.1 There will be an allocation of 5 Bonus Points to each Match.

16.10.2.2 These points will be allocated between the two sides, depending on the margin of victory in the match in accordance with the following tables.

**GAMES WITH 15 OR MORE SCHEDULED OVERS IN 2<sup>ND</sup> INNINGS**

Margin of Victory		Bonus Points	
Runs	Wickets	Winner	Loser
40+	9/10	5	0

32-39	7/8	4	1
24-31	5/6	3	2
16-23	3/4	2	3
8-15	2	1	4
<8	1	0	5

**GAMES WITH LESS THAN 15 SCHEDULED OVERS IN 2<sup>ND</sup> INNINGS**

Margin of Victory		Bonus Points	
Runs	Wickets	Winner	Loser
30+	9/10	5	0
23-29	7/8	4	1
16-22	5/6	3	2
10-15	3/4	2	3
5-9	2	1	4
<5	1	0	5

**16.10.3 Competition Formats**

16.10.3.1 In Premier League, each team will play each twice.

16.10.3.2 In Division 2 – 5 inclusive, each team plays each other twice.

**16.10.4 Net Run Rate**

16.10.4.1 A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, from the average runs per over scored against that team throughout the competition.

16.10.4.2 In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

16.10.4.3 Only those matches where results are achieved will count for the purpose of net run rate calculations. Where a match is prematurely terminated but a result is achieved under Duckworth/Lewis/Stern, for net run rate purposes the team batting first will be credited with the team batting second's Par Score on the premature abandonment off the same number of overs faced by the team batting second. Where a match is concluded with Duckworth/Lewis/Stern having been applied at an earlier point in the match, the team batting first will be credited with 1 run less than the final Target Score for the team batting second off the total number of overs allocated to the team batting second to reach the target.

### 16.10.5 Walkovers

- 16.10.5.1 A walkover arises where a team does not fulfil a fixture and the reasons put forward for the failure to do so are not considered adequate by the Women's Competition Committee (WCC).
- 16.10.5.2 Details of penalties for walkovers are outlined in the General Playing Regulations and Administration (WCC, 2026).

- 17.3.2 A ball delivered by the bowler shall not count as one of the 6 balls of the over if/when:

### 17.5 Umpire miscounting

- 17.5.1 If the umpire miscounts the number of valid balls, the over as counted by the umpire shall stand.
- 17.5.2 If, having miscounted, the umpire allows an over to continue after 6 valid balls have been bowled, the umpire may subsequently call Over when the ball becomes dead after any delivery, even if that delivery is not a valid ball.
- 17.5.3 Whenever possible, the scorers can inform the on-field umpires if the over has been miscounted, however the ultimately the umpires will determine the accuracy of when the over is completed.

### 17.6 Bowler changing ends

- 17.6.1 A bowler shall be allowed to change ends as often as desired, provided the bowler does not bowl two overs consecutively, nor bowl parts of each of two consecutive overs, in the same innings.

### 17.7 Finishing an over

- 17.7.1 Other than at the end of an innings, a bowler shall finish an over in progress unless incapacitated or suspended under these Playing Conditions.
- 17.7.2 If for any reason, other than the end of an innings, an over is left uncompleted at the start of an interval or interruption, it shall be completed on resumption of play.

### 17.8 Bowler incapacitated or suspended during an over

- 17.8.1 If for any reason a bowler is incapacitated while running up to deliver the first ball of an over, or is incapacitated or

suspended during an over, the umpire shall call and signal Dead ball. Another bowler shall complete the over from the same end, provided that the new bowler does not bowl two overs consecutively, nor bowl parts of each of two consecutive overs, in that innings.

## **18 SCORING RUNS**

Shall apply as per the [Laws of Cricket 18](#).

## **19 BOUNDARIES**

Shall apply as per the [Laws of Cricket 19](#).

## **20 DEAD BALL**

Shall apply as per the [Laws of Cricket 20](#).

## **21 NO BALL**

### **21.1 Mode of delivery**

21.1.1 The umpire shall ascertain whether the bowler intends to (i) bowl right handed or left handed, (ii) over or round the wicket, and shall so inform the striker. It is unfair if the bowler fails to notify the umpire of a change in mode of delivery. In this case the umpire shall call and signal No ball.

21.1.2 Underarm bowling shall not be permitted.

### **21.2 Fair delivery – the arm**

For a delivery to be fair in respect of the arm the ball must not be thrown.

A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that instant until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing.

Although it is the primary responsibility of the striker's end umpire to assess the fairness of a delivery in this respect, there is nothing in this Law to debar the bowler's end umpire from calling and signalling "No ball" if the umpire considers that the ball has been thrown.

### **21.3 Ball thrown or delivered underarm – action by umpires**

21.3.1 If, in the opinion of either umpire, the ball has been thrown or delivered underarm, the umpire shall call and signal No ball and, when the ball is dead, inform the other umpire of the reason for the call. The bowler's end umpire shall then

- warn the bowler, indicating that this is a first and final warning. This warning shall apply to that bowler throughout the innings.
- inform the captain of the fielding side of the reason for this action. - inform the batters at the wicket of what has occurred.

21.3.2 If either umpire considers that, in that innings, a further delivery by the same bowler is thrown or delivered underarm, the umpire shall call and signal No ball and when the ball is dead inform the other umpire of the reason for the call. The bowler's end umpire shall then

- direct the captain of the fielding side to suspend the bowler immediately from bowling. The over shall, if applicable, be completed by another bowler, who shall neither have bowled the previous over or part thereof nor be allowed to bowl any part of the next over. The bowler thus suspended shall not bowl again in that innings.
- inform the batters at the wicket and, as soon as practicable, the captain of the batting side of the reason for this action.

21.3.3 The umpires together shall report the occurrence as soon as possible after the match to the Executive of the offending team and to the Women's Competitions Committee (WCC), who shall take such action as is considered appropriate against the captain, any other individuals concerned and, if appropriate, the team.

### **21.4 Bowler throwing towards striker's end before delivery**

If the bowler throws the ball towards the striker's end before entering the delivery stride, either umpire shall call and signal Dead Ball. [See Law clause 41.16](#) (Batters stealing a run). However, the procedure stated in clause 21.3 of caution, informing, final warning, action against the bowler and reporting shall not apply.

**21.5 Fair delivery – the feet**

For a delivery to be fair in respect of the feet, in the delivery stride:

- 21.5.1 the bowler's back foot must land within and not touching the return crease appertaining to the bowler's stated mode of delivery.
- 21.5.2 the bowler's front foot must land with some part of the foot, whether grounded or raised
  - on the same side of the imaginary line joining the two middle stumps as the return crease described in clause 21.5.1, and
  - behind the popping crease.

If the bowler's end umpire is satisfied that any of these three conditions have not been met, the umpire shall call and signal No ball. See [clause 41.8 \(Bowling of deliberate front foot No ball\)](#).

**21.6 Bowler breaking wicket in delivering ball**

Either umpire shall call and signal No ball if, other than in an attempt to run out the non-striker under [clause 41.16](#), the bowler breaks the wicket at any time after the ball comes into play and before completion of the stride after the delivery stride. This shall include any clothing or other object that falls from the bowler's person, and breaks the wicket.

**21.7 Ball bouncing more than once, rolling along the ground or pitching off the pitch**

The umpire shall call and signal No ball if a ball which the umpire considers to have been delivered, without having previously touched bat or person of the striker,

- bounces more than once
- or rolls along the ground before it reaches the popping crease.
- or pitches wholly or partially off the pitch as defined in [clause 6](#) (6.1: Area of pitch) before it reaches the line of the striker's wicket.

**21.8 Ball coming to rest in front of striker's wicket**

If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, without having previously touched the bat or person of the striker, the umpire shall call and signal No ball and immediately call and signal Dead ball.

**21.9 Fielder intercepting a delivery**

If except in the circumstances of [clause 27.3](#) (Position of wicket-keeper) a ball, delivered by the bowler, makes contact with any part of a fielder's person before it either makes contact with the striker's bat or person, or it passes the striker's wicket, the umpire shall call and signal No ball and immediately call and signal Dead ball.

**21.10 Ball bouncing over head height of striker**

See clauses [22.1.1.2](#) and 41.6.1.7.

**21.11 Call of No ball for infringement of other Laws**

In addition to the instances above, No ball is to be called and signalled as required by the following Laws.

- [Clause 27](#) – Position of wicket-keeper
- [Clause 28.4](#) – Limitation of on side fielders
- [Clause 28.5](#) – Fielders not to encroach on pitch
- [Clause 41.6](#) – Bowling of dangerous and unfair short pitched deliveries
- [Clause 41.7](#) – Bowling of dangerous and unfair non-pitching deliveries
- [Clause 41.8](#) – Bowling of deliberate front foot No ball.

**21.12 Revoking a call of No ball**

An umpire shall revoke the call of No ball if Dead ball is called under any of [Laws 20](#); 20.4.2.4, 20.4.2.5, 20.4.2.6, 20.4.2.8 or 20.4.2.10 (Umpire calling and signalling Dead ball).

**21.13 No ball to over-ride Wide**

A call of No ball shall over-ride the call of Wide ball at any time. See [clauses 22](#); [22.1](#) (Judging a Wide) and [22.2](#) (Call and signal of Wide ball).

**21.14 Ball not dead**

The ball does not become dead on the call of No ball.

**21.15 Penalty for a No ball**

A penalty of one run shall be awarded instantly on the call of No ball. Unless the call is revoked, the penalty shall stand even if a batter is dismissed. It shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

**21.16 Runs resulting from a No ball – how scored**

The one run penalty shall be scored as a 'No Ball' extra and shall be debited against the bowler. If other Penalty runs have been awarded to either side these shall be scored as stated in [clause 41.17](#) (Penalty runs). Any runs completed by the batters or any boundary allowance shall be credited to the striker if the ball has been struck by the bat; otherwise the runs shall also be scored as Byes or Leg byes as appropriate.

**21.17 No ball not to count**

A No ball shall not count as one of the over. See [clause 17.3](#) (Validity of balls).

**However the following applies to Divisions 3, 4 & 5 only: A No ball shall not count as one of the over except where the ball will count if there have already been 2 No Balls 2 Wides or 1 No Ball and 1 Wide in an over other than the final over of an innings. The one run penalty will stand even though there may be no extra ball.**

**21.18 Out from a No ball**

When a 'No Ball' has been called, neither batter shall be out under any of the Playing Conditions except [clause 29.1.6](#) (Hit the ball twice), [clause 29.1.9](#) (Obstructing the field) or [clause 29.1.10](#) (Run out).

**The following applies to Premier League & Leinster Senior Cup only:**

**21.19 Free Hit**

- 21.19.1 In addition to the above, the delivery following a no ball called (all modes of no ball) shall be a free hit for whichever batter is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of no ball or a wide ball) then the next delivery will become a free hit for whichever batter is facing it.
- 21.19.2 For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called wide ball.
- 21.19.3 Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:
  - 21.19.3.1 There is a change of striker (the provisions of [clause 41.2](#) shall apply), or
  - 21.19.3.2 The No Ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- 21.19.4 For clarity, the bowler can change the mode of delivery for the free hit delivery. In such circumstances [clause 21.1](#) shall apply.
- 21.19.5 The umpire will signal a free hit by (after the normal No Ball signal) extending one arm straight upwards and moving it in a circular motion.

**22 WIDE BALL****22.1 Judging a Wide**

- 22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in [clause 22.1.2](#)
  - 22.1.1.1 the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.
  - 22.1.1.2 the ball passes above the head height of the striker standing upright at the popping crease.
- 22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for the batter to be able to hit it with the bat by means of a normal cricket stroke.

The following applies to Premier League only:

- 22.1.3 Leg side; Any ball passing down the leg side and not touching the batter will be called a wide except in the case where the ball passes between the batter and the wicket.
- 22.1.4 Off side. The umpire will be guided by the 17inch line in determining what is a fair ball.
- 22.1.5 Switch Hits: By the batter playing the switch hit or the reverse sweep or getting in a position to play the shot, the batter is deemed to bring the ball sufficiently within reach - on the leg side as well.  
when a switch hit is attempted, for the purposes of appeals for LBW, the umpire will consider the striker's leg side to be the leg side of their original stance. For the purposes of judging a wide, the 17 inch line will be used as a guide on both sides of the wicket, the striker is now considered to have 'two off-sides'

- 22.1.6 Umpires are instructed to apply very strict and consistent interpretation in regard to this Law in order to prevent negative bowling wide of the wicket.

## 22.2 Call and signal of Wide ball

If the umpire adjudges a delivery to be a Wide the umpire shall call and signal Wide ball as soon as the ball passes the striker's wicket. It shall, however, be considered to have been a Wide from the instant that the bowler entered the delivery stride, even though it cannot be called Wide until it passes the striker's wicket.

## 22.3 Revoking a call of Wide ball

- 22.3.1 The umpire shall revoke the call of Wide ball if there is then any contact between the ball and the striker's bat or person before the ball comes into contact with any fielder.
- 22.3.2 The umpire shall revoke the call of Wide ball if a delivery is called a No ball. See clause [21.13](#) (No ball to over-ride Wide).

## 22.4 Delivery not a Wide

- 22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of her, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.
- 22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

## 22.5 Ball not dead

The ball does not become dead on the call of Wide ball.

## 22.6 Penalty for a Wide

A penalty of one run shall be awarded instantly on the call of Wide ball. Unless the call is revoked, see clause [22.3](#), this penalty shall stand even if a batter is dismissed, and shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

## 22.7 Runs resulting from a Wide – how scored

All runs completed by the batter or a boundary allowance, together with the penalty for the Wide, shall be scored as Wide balls. Apart from any award of 5 Penalty runs, all runs resulting from a Wide shall be debited against the bowler.

## 22.8 Wide not to count

A Wide shall not count as one of the over. See clause [17.3](#) (Validity of balls).

**However the following applies to Division 3 - 5 only: A Wide shall not count as one of the over, except where the ball will count if there have already been 2 No Balls, 2 Wides or 1 No Ball and 1 Wide in an over other than the final over of an innings. The one run penalty will stand even though there may be no extra ball.**

## 22.9 Out from a Wide

When Wide ball has been called, neither batter shall be out under any of the Playing Conditions except clause [29.1.7](#) (Hit wicket), clause [29.1.9](#) (Obstructing the field), clause [29.1.10](#) (Run out) or clause [29.1.11](#) (Stumped).

### 24.1 Substitute fielders

The umpires shall only allow a substitute fielder in either of the following two provisions, in all other circumstances, a substitute is not allowed.

24.1.1.2 for any other wholly acceptable reason.

24.1.2 A substitute shall not bowl or act as captain but may act as wicket-keeper only with the consent of the umpires.

### The following applies to Premier League & Division 2 only:

#### 24.2 Fielder absent or leaving the field of play

24.2.1 A player going briefly outside the boundary while carrying out any duties as a fielder is not absent from the field of play nor, for the purposes of this clause, is the fielder to be regarded as having left the field of play.

A player's unexpired Penalty time shall be limited to a maximum of 35 minutes. If any unexpired Penalty time remains at the end of an innings, it is carried forward to the next and subsequent innings of the match.

24.2.8 Any unserved Penalty time shall be carried forward into the next innings of the match, as applicable.

#### 24.3 Penalty time not incurred

A nominated player's absence will not incur Penalty time if,

- 24.3.1 the player has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field.
- 24.3.2 in the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury.

- 24.4.7 If there is an unscheduled break in play, the stoppage time shall count as Penalty time served, provided that:

28.6.2 In all circumstances clause 28.4 (Limitation of on side fielders) shall apply.

28.6.3 In the event of such unfair movement, either umpire shall call and signal Dead ball.

28.6.4 Note also the provisions of clause 41.4 (Deliberate attempt to distract striker). See also clause 27.4 (Movement by wicket-keeper).

**The following applies to Premier League & Leinster Senior Cup only:****28.7 Restrictions on the placement of fielders**

- 28.7.1 In addition to the restrictions contained in clause [28.4](#), further fielding restrictions shall apply to certain overs in each innings. The nature of such fielding restrictions and the overs during which the restrictions shall apply are set out in the following paragraphs:
- 28.7.2 Subject to [28.7.6](#) below, these additional fielding restrictions shall apply to the first 6 overs of each innings (Powerplay overs).
- 28.7.3 The following fielding restrictions shall apply:
- 28.7.3.1 Two semi-circles shall be drawn on the field of play. The semi-circles shall have as the centre, the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 25.15 yards (23 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field. (Refer to paragraph 2 of [45](#) Appendix C - The pitch and the creases). The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard (4.57 metres) intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter.
- 28.7.4 During the Powerplay overs only two fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- 28.7.5 During non Powerplay overs, no more than four (4) fielders shall be permitted outside this fielding restriction area.
- 28.7.6 In circumstances when the number of overs of the batting team is reduced, the number of overs within each phase of the innings shall be reduced in accordance with the table below. It should be noted that the table shall apply to both the 1st and 2nd innings of the match.

Total overs in Innings	Number of overs for which fielding restrictions in clauses 28.7.2 and 28.7.4 above will apply
5-8	2
9-11	3
12-14	4
15-18	5
19-20	6

- 28.7.7 If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of Powerplay overs have already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- 28.7.7.1 In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal 'No Ball'.

**41 UNFAIR PLAY**

Shall apply as per the Laws of Cricket except as amended below:

**Note: All clauses of Law 41.8 shall only be applicable in matches to which the LCU&SA have appointed umpire(s).**

**Law 41.6 will see the following apply to Premier League & Leinster Senior Cup only:**

- 41.6.1 Notwithstanding clause [41.6.2](#), the bowling of short pitched deliveries is dangerous if the bowler's end umpire considers that, taking into consideration the skill of the striker, by speed, length, height and direction, are likely to inflict physical injury on the striker. The fact that the striker is wearing protective equipment shall be disregarded. In the first instance if the umpire decides that the bowling of short pitched deliveries has become dangerous under [41.6.1](#):
- 41.6.1.1 The umpire shall call and signal No ball, and when the ball is dead, caution the bowler and inform the other umpire, the captain of the fielding side and the batters of what has occurred. This caution shall apply to that bowler throughout the innings.
- 41.6.1.2 If there is a second instance, the umpire shall repeat the above procedure and indicate to the bowler that this is a final warning, which shall apply to that bowler throughout the innings.
- 41.6.1.3 Should there be any further instance by the same bowler in that innings, the umpire shall - call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling - inform the other umpire for the reason for this action.
- The bowler thus suspended shall not be allowed to bowl again in that innings.  
If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.
- The umpire shall report the occurrence to the batters and, as soon as practicable, to the captain of the batting side. The umpires may then report the matter to the Women's Competitions Committee who shall take such action as is considered appropriate against the bowler concerned.
- 41.6.1.4 A bowler shall be limited to one fast short-pitched delivery per over.
- 41.6.1.5 A fast short-pitched delivery is defined as a ball, which passes or would have passed above the shoulder height of the striker standing upright at the popping crease.
- 41.6.1.6 The umpire at the bowler's end shall advise the bowler and the batter on strike when each fast short pitched delivery has been bowled.
- 41.6.1.7 In addition, a ball that passes above head height of the batter, standing upright at the popping crease, that prevents the batter from being able to hit it with the bat by means of a normal cricket stroke shall be called a Wide.
- 41.6.1.7.1 For the avoidance of doubt any fast short pitched delivery that is called a Wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.
- 41.6.1.8 In the event of a bowler bowling more than one fast short-pitched delivery in an over as defined in clause [41.6.1.5](#) above, the umpire at the bowler's end shall call and signal No ball on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall call and signal 'No ball' and then tap the head with the other hand.
- 41.6.1.9 If a bowler delivers a second fast short pitched ball in an over, the umpire, after the call of No ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batters at the wicket of what has occurred. This caution shall apply throughout the innings.
- 41.6.1.10 If there is a second instance of the bowler being 'No balled' in the innings for bowling more than one fast short pitched delivery in an over, the umpire shall advise the bowler that this is the bowlers final warning for the innings.

*Continued overleaf...*

41.6.1.11 Should there be any further instance by the same bowler in that innings, the umpire shall - call and signal No ball and

- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling - inform the other umpire for the reason for this action. The bowler thus suspended shall not be allowed to bowl again in that innings. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.
- The umpire shall report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.

The umpires may then report the matter to Women's Competitions Committee (WCC) who shall take such action as is considered appropriate against the bowler concerned.

41.6.2 Should the umpires initiate the caution and warning procedures set out in clauses 41.6.1.3 and 41.7 such cautions and warnings are not to be cumulative.

## 42 PLAYERS' CONDUCT

The popping crease shall be marked to a minimum of 6 ft/1.83 m on either side of the imaginary line joining the centres of the two middle stumps and shall be considered to be unlimited in length.

### 46 Restriction on the placement of fielders

**47 Appendix D**

As per Laws of Cricket

**48 Appendix E**

As per Laws of Cricket

**49 Appendix F - Safety of Young Players****49.1 Young Cricketer Directives**

Cricket Leinster has adopted the CRICKET IRELAND YOUNG CRICKETER DIRECTIVES regarding safety in youth cricket as best practice for all competitive matches under its aegis. In matches where official umpires are present, it is the responsibility of the umpires to ensure that the directives are enforced as regulations. Umpires should therefore ensure that team lists given to them prior to the start of play clearly identify the precise ages of any players under 18 years of age. In matches where no official umpires are present to enforce the regulation, team captains should make every effort to ensure that the directives are followed as best practice. Clubs should therefore ensure that team captains are familiar with this practice.

Age	Max overs per spell	Max overs per day
Up to 13	5 overs per spell	10 overs per day
U14, U15	6 overs per spell	12 overs per day
U16, U17	7 overs per spell	18 overs per day
U18, U19	7 overs per spell	18 overs per day

The directives apply to boys and girls. Age groups are based on the age of the player on 1 September in the year preceding the competition.

**49.2 Batting Directive**

Any batter under the age of 18 (on the day of the match) must wear a helmet when batting. Non-compliance with this Directive will result in the umpires stopping the game immediately and instructing the batter to put on a helmet.

**49.3 Fielding Restrictions**

- No young player in the Under 15 age group or younger, shall be allowed to field closer than 8 yards (7.3m) from the middle stump, except behind the wicket on the off side, until the batter has played at the ball. For those in the under 13 age group and below, the distance is 11 yards (10m). These minimum distances apply even if the player is wearing a helmet.
- Should a player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back. Any player in the under 16 to under 18 age groups who has not reached the age of 18, must wear a helmet (and for boys, an abdominal protector (box)) when fielding within 6 yards (5.5m) of the bat, except behind the wicket on the off side.

**49.4 Wicket-keepers**

Any wicket-keeper under the age of 18 (on the day of the match) must wear a helmet when standing up to the stumps. This applies to all speeds of bowling. Non-compliance with this Directive will result in the umpires stopping the game and instructing the wicket-keeper to put on a helmet, or stand back from the stumps.

**49.5 Bowling Directive**

For the purpose of these Directives, a fast bowler is defined as a bowler to whom a wicket -keeper in the same age group would in normal circumstances stand back to take the ball. This does not preclude the umpires from insisting that these Directives apply if the wicket-keeper is capable of standing up to what they consider to be a fast bowler.

**49.6 Directives for matches**

In addition to these, it is recommended that in any seven day period a fast bowler should not bowl more than four days in that period and for a maximum of two days in a row. For example: in a tournament lasting five days, a fast bowler would bowl on days 1 and 2; not bowl on day 3, bowl on days 4 and 5.

Having completed a spell, a bowler cannot bowl again, from either end, until an equivalent number of overs to the length of the bowlers spell has been bowled from the same end. If a bowler only completes part of the permitted spell, the restriction still applies. For example, if the bowler is allowed 7 overs, but only bowls 4, the bowler cannot bowl again, until 4 overs have been bowled from the same end. The bowler cannot resume a 'spell' after 2 overs from the same end, claiming that the bowler is allowed another 3 overs to make up her 7. However, a bowler is allowed to change ends during a spell without taking a rest. This can only be done provided that the bowler bowls the next permissible over from the other end.

If there is an interruption in play, whether scheduled or not, the bowler will be allowed to count time off the field as part of the 'rest time'. During this interruption, the bowler may count every 7 minutes of the interruption as being equivalent to 1 over at each end. If play is interrupted for any reason for less than 40 minutes, any spell in progress at the time of the

interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. In this case, the bowler cannot claim any time off the field as rest time and the spell will still be in progress even though play is suspended. If the spell is not continued after the interruption, the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of the spell before the interruption has been bowled from the same end. If the interruption is of 40 minutes duration or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match, the bowler cannot exceed the maximum overs per day for the applicable age group, even if the bowler subsequently bowls spin. The bowler can exceed the maximum of overs per spell if bowling spin only, but cannot then revert to bowling fast until an equivalent number of overs to the length of the spell has been bowled from the same end. Any spell that includes fast bowling must not exceed the maximum number of overs per spell even if some of the spell is of spin.

#### 49.7 Umpires' responsibility

The umpires are expected to monitor these players and keep records of the overs such players bowl. Once the maximum allowance for any one spell has been reached, the umpires will inform the player and the captain accordingly, and will not allow the player to bowl again until the requisite rest period has been fulfilled. Prior to the game, the manager / coach / captain will inform the umpires in writing, of any player who comes under this Directive. If during the game, the umpires consider that any other players come under this Directive, they shall inform the Women's Competitions Committee and manager / coach / captain as soon as is practical, that these players shall be subject to the above Directives.

#### 50 Appendix G – Bowl Out

BOWL OUT TO DETERMINE RESULT IN THE EVENT THAT A RE-FIXED MATCH CANNOT BE PLAYED

- The captain will select 4 team members (5 members in the case of Division 1) who will bowl (overarm) in turn at an unguarded wicket at one end of the pitch under the supervision of the umpires. They will alternate in pairs, one from each team. The team that has broken the wicket most often after all members have bowled will be declared the winner.
- If the teams are level after each of the 4 members (5 members for Division 1) has bowled then the process will repeat as sudden death with players from each team alternating in the original order until a winner has emerged.
- A no ball or wide shall count as a ball bowled but shall not count as a wicket.
- The umpires will approve the balls (not to be new ones) which will be used by both teams.
- If the original match has started the players to take part in the bowl out must be selected from the original 11 players. If there has been no play the players may be selected from any of the club's eligible registered players for this competition.
- No player shall be permitted to stand in front or behind the wicket or tend the stumps in any way to act as a target for the bowlers. (However, a player will be permitted to stand back from the stumps to field the ball).
